

## Leal Family News - Back in Brighton

At the time of our last newsletter, Mike and Joshua were getting ready to come to the UK. It's now been just over a month since Nélia joined them from Brazil, Louissa from Cheltenham and the whole family has been reunited.

We are so grateful for our new home here in Brighton. For the next year we are living in an apartment in the centre of Brighton within walking distance of Holland Road. (See our address below). We'd love to have you round for coffee!

No, this isn't our new house...

So what does the future hold, and how can you pray for us?

I'm excited to be entering a new season of working with OM in my new role. I'm also looking forward to catching up with friends here in England.

Please pray for me as I head to Columbia for the next two weeks for an OM conference and some meetings.

I am really looking forward to reconnecting with friends in England, and finding out what God has in store for the future.

Please pray for me as I pray and wait on Him.

I start university in September, and am really excited about all the people I'll meet and to see what God has prepared for me.

Please pray for me as I move in on the 16<sup>th</sup>, that I'd settle in quickly.

After two years of homeschooling, I am really looking forward to starting College. I'm excited to meet new people, play football and to study music. I'm also looking forwards to getting involved with the youth at church and playing in the band.
